

GOOD NEWS . . . and mixed news! Your and our calls against HB 137 - the gambling expansion bill - have made an impact — legislators have delayed their rush to pass it . . . for now. **BUT** . . . their delay has helped them spend money in social media to attempt to stir up support for it and attack legislators who are hesitant. So please call again!

HB 137 voids the Kentucky Constitution - Sports Wagering is **NOT** 1) Horse Racing, 2) The Lottery or 3) Charitable Gaming. So, **IT NEEDS** a Constitutional Amendment!

They passed House Bill 137 through Committee on Jan. 15. Their plan is to quickly pass it thru the House. **YOU, me and our friends** are the only ones standing in their way. **PLEASE** make a polite call using the Legislative Message Line. Just leave the message below for your legislators and their Leadership Team with the receptionist.

We need hundreds of calls. Please call and encourage others to do the same. For more on our 10-year gambling court case, regarding “Historical Racing” slot machines, go to: **thegamblingscam.com**
