The Kentucky Family Legislative Scorecard is an educational project of The Family Foundation of Kentucky (TFFKY) and is the most comprehensive pro-family legislative scorecard in the Commonwealth! The scorecard is based on Kentucky’s 2025 Legislative Session and evaluates how state legislators performed on our core issues. The scorecard compiles important legislative activity, including votes and bill sponsorships. The scorecard is designed to be a helpful educational and accountability resource for Kentuckians to see where legislators stood on the values that matter to them. **Included below are the summary scores for each legislator.
